

# Sameer J. Khanna

me@sameerkhanna.com

**Objective**     Grow and learn new web development skills, specifically with LAMP based technologies.

**Summary**

- Four years of web development work experience in a diverse selection of projects.
- Excellent leadership skills to successfully create large web applications.
- Good communication skills and experience with working in teams.
- Quick learner, adaptable to new technologies and environments.

**Work Experience**

**Lead Web Developer, Bandwidth Productions, NY, NY (8/2007 - Present)**  
Successfully led PHP/MySQL development on half a dozen medium to large sized projects for well known clients (NY Auto Show, Trinity Wallstreet Church, and Museum of Moving Image). Within the first year had to take leadership role to manage, plan and implement web applications. Implemented companywide standards for PHP development by introducing customized framework platform and advanced content management system. At times role included mentoring coworkers and project management.

**Web Developer, Zezza Network, NY, NY (8/2006 – 8/2007)**  
Responsibilities consist of translating business and technical requirements into working web based solutions. Implemented solutions for small to large sized clients within a variety of industries. Skills include front-end and back-end development, relational database design, requirements gathering, and analytical problem solving. Specific projects include e-commerce applications, content management systems, xml services for flash applications, and wireframe prototyping. Technologies used; PHP, MySQL, Code Igniter Framework, web standards and cross platform compliant XHTML/CSS.

**Freelance Web Developer, (2002 - Present)**  
Worked as a part-time freelance web developer for a variety of small businesses. Projects include e-commerce applications, social networking web applications, and content management systems. Projects used; PHP, MySQL, Code Igniter Framework, and XHTML/CSS.

**Education**

**Polytechnic Institute of New York University, New York, NY (9/2010 - Present)**  
Masters of Science in Computer Science, part-time.

**Rochester Institute of Technology, Rochester, NY (9/2002 - 5/2006)**  
Bachelor of Science in Information Technology with Business Management Minor  
Overall GPA 3.52/4.00     GPA in Major: 3.79/4.00  
Graduated with honors

**Technical Profile**
